SUBJECT: Assembly Bill 900 Phase II (Local Jail Construction Financing Program):  
Tuolumne County Award: **Requesting Approval.**

---

## Summary

---

Assembly Bill 114 (Section 6, 2015 Budget Trailer Bill, Government Code section 15820.913 Attachment A-1) increased the authorization of the AB 900 Phase II by \$15,845,000, from \$854,229,000 to \$870,074,000 as a result of Amador County's relinquishment of funds. This agenda item requests that the Board of State and Community Corrections approve staff's recommendation to partially award \$13,000,000 of Tuolumne's original proposal of \$33,000,000 in lease revenue bond financing authority.

## Background

---

The current authorized AB 900 Phase II lease revenue bond funding authority is \$870,074,000. Fifteen counties have received conditional awards.

On July 1, 2015, AB 114 increased the authorization of the AB 900 Phase II by \$15,845,000 transferring the authorization from the AB 900 Phase I and making additional funds available for allocation.

Tuolumne County is the next in rank order in the AB 900 Phase II Small County Set-aside category of counties. It has been past practice of this Board to allow funds that become available when a county relinquishes funds to be awarded to the next county in ranked order within the same county size category until the funds are exhausted.

## Recommendation/Action Needed

---

1. Staff recommends presenting Tuolumne County a partial award of \$13,000,000 and requests Board approval to formally present this award proposal to the county for its approval.
